Blank cartridge  
rubber balls  
with different sizes

Oldrati Group, specialized in the production of sealing gaskets since 1968, have the best experience and historical know-how in the rubber industry.

Among the wide range of products, Oldrati manufactures rubber recoil pads and pistols grip caps able to meet every kind of need.

An excellent absorbing system allows a perfect impact after shooting and the lengthening butt assures a better comfort.

Furthermore, the use of special compounds guarantees an exceptional resistance, as all products are scratchproof, shockproof and weatherproof.
